- Preparedness Update
 - Please update your Kansas HAN information https://member.everbridge.net/index/892807736724418#/login
 - Important information continues to be shared out from KDHE. Please ensure your KS-HAN account contact information is correct so that you can continue to receive this timely information. Users can update their information at any time as their contact information changes.

- Preparedness Update
 - Fourth quarter affidavits should all be submitted. Staff are working on processing those reimbursements. Please keep in mind that if we are missing needed information or documents, that will delay processing.

Preparedness Update

- Preparedness staff will be resending the Local Public Health PHEP Contracts because of an error. We apologize for the confusion and inconvenience.
- PHEP Regional Contracts have been emailed out (by Denise Kelly). We have received many back with signatures but are still missing a few.
 Please check with your agency if the signed contract has been returned.

- Preparedness Update
 - HPP, PHEP, PHEP Regional and CRI budgets for BP1 Supplemental are due August 29. The date listed in contracts is July 30 but because of the delay on our end we are giving an extension.
 - Budgets can be turned in prior to the new due date.

- Preparedness Update
 - HealthCare Coalition (HCC) Coordinators
 - Four of the HCC Coordinators are staying the same as last year. The HCC role for the other three regions went through the state RFP process. All Clear Emergency Management Group received the contract. All Clear will be assigning a specific individual to be the coordinator in each region, but for now, Ginny can be the contact. We look forward to working with all the HCC Coordinators to help our HCC regions and their communities in Kansas.

- Preparedness Update
 - FRED the Preparedness Dog is available to come out to your community to promote preparedness!
 We are taking requests for the summer as well as for Preparedness
 Month, which is in September.

Preparedness Update

- Please share any plans or activities that will be happening related to Preparedness Month in September.
- We anticipate to have the opportunity to share these with CDC! We are also available to support these activities with guidance and/or additional information!

- Preparedness Update
 - Introduction Meeting for HPP and PHEP Local sub-awardees to BP1 Supplemental
 - These webinars occurred on July 16 and 17. Thank you to everyone who was able to attend and ask great questions! Preparedness Program staff are developing a Frequently Asked Questions (FAQ) document. Staff will share more information once the document is available.
